DEDICATION

REV. HYACINTH GRABBE, O.F.M.CAP.

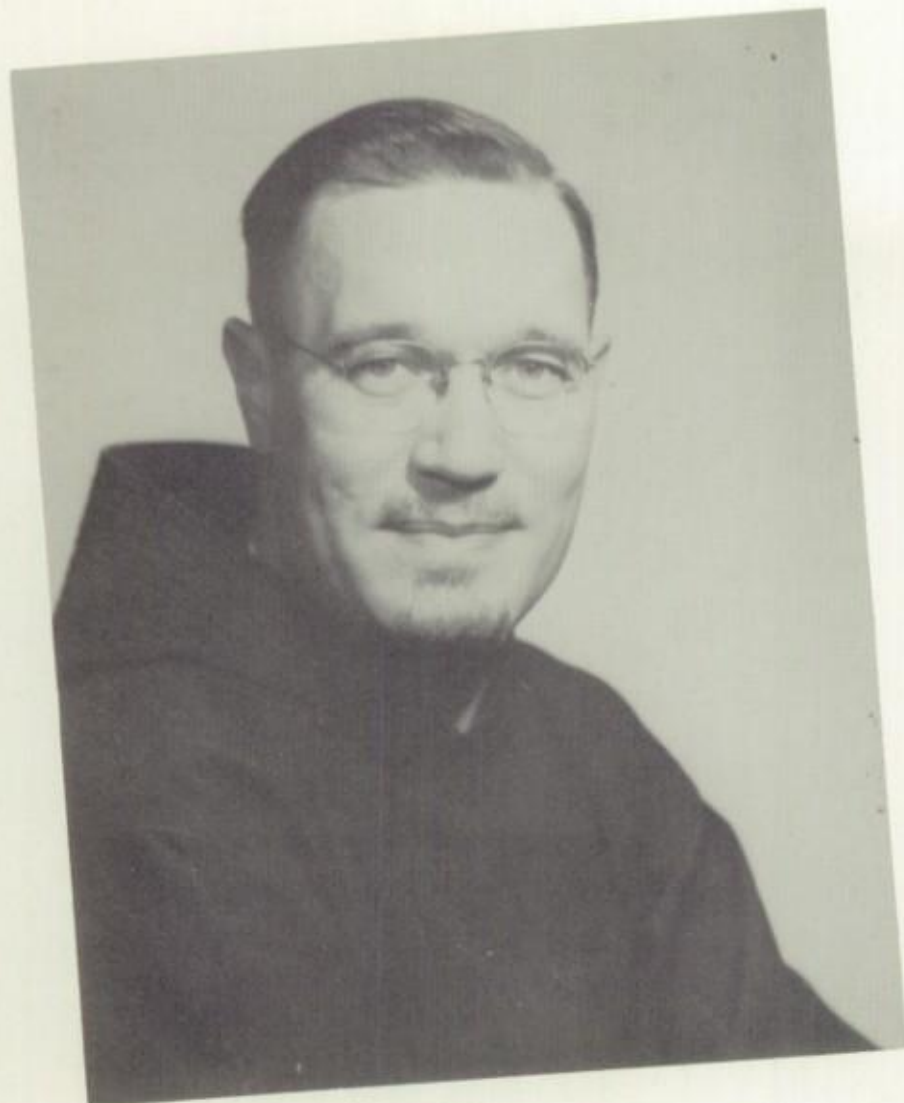

THE CADET CORPS IS HONORED in dedicating ON PARADE 1961 to the memory of one of the most devoted men on the faculty, Father Hyacinth. His untimely death on February 13, 1960, left a vacancy on the faculty which has been difficult to fill.

Outside of the three years he spent at the Catholic University of America to work on his master's degree, Father spent his entire priestly life at the Academy, from 1934 to 1960. May he rest in peace.

Administration

TWO NEW MEMBERS were added to the faculty this year, Mt. Paul Gatschet, who will teach in the English department, and Mr. Tom Gottschalk, who will teach in the political science division.

The untimely death of Father Hyacinth in February of 1960 necessitated several changes in faculty assignments to take over his classes immediately upon his demise. The large increase in enrollment opened up two more positions which are now filled by the new faculty members.

Underclassmen

Freshmen

THIS WAS THE FIRST YEAR in which the freshman enrollment went over the hundred mark.

The 117 "Mice" adapted themselves quickly to military routine and were welcomed into the Cadet Corps at the end of the first six-week term.

Among the 72 boarders and 45 day students of the class, there are many fine prospects for athletics as well as promising students in the field of scholastics.

Activities

Spiritual Values Are Stressed

AT ST. JOSEPH'S, the fourth "R", Religion, plays as important part as the other three. Daily Mass, regular religious instruction, a religious atmosphere, frequent reception of the Sacraments, spiritual and moral guidance, all tend to keep the impressionable Cadet conscious of the importance of his faith in daily life.

FATHER CLEMENT, spiritual director of the school, is shown at left in conference with Sam Dazo.

THE STATIONS OF THE CROSS are recited each Wednesday evening during the lenten season as part of the evening prayers, below.

Cadets Observe National Prayer Day

COMPLYING WITH PRESIDENT Eisenhower's proclamation setting aside a day of prayer, the Cadet Corps observed Wednesday, October 5, as the National Day of Prayer to thank God for our freedom, our rights, and our liberty. The Cadet Corps is shown above gathering before the grotto of Our Lady where the ceremonies were held.

THIRD ORDER OF ST. FRANCIS

The Third Order of St. Francis, a powerful aid in working out one's salvation, has been established at the Academy for many years. Father Clement, moderator of the group, is seen at the right holding an informal discussion before a meeting. Clockwise from Fr. Clement are M. Kalahurka, S. Rhoton, J. Stewart, R. Morley, R. Van Nimwegan, J. Beasley, T. Badger, L. Broski, and T. Turner.

The Holy Name Society is also active. Father Alexius is its director.

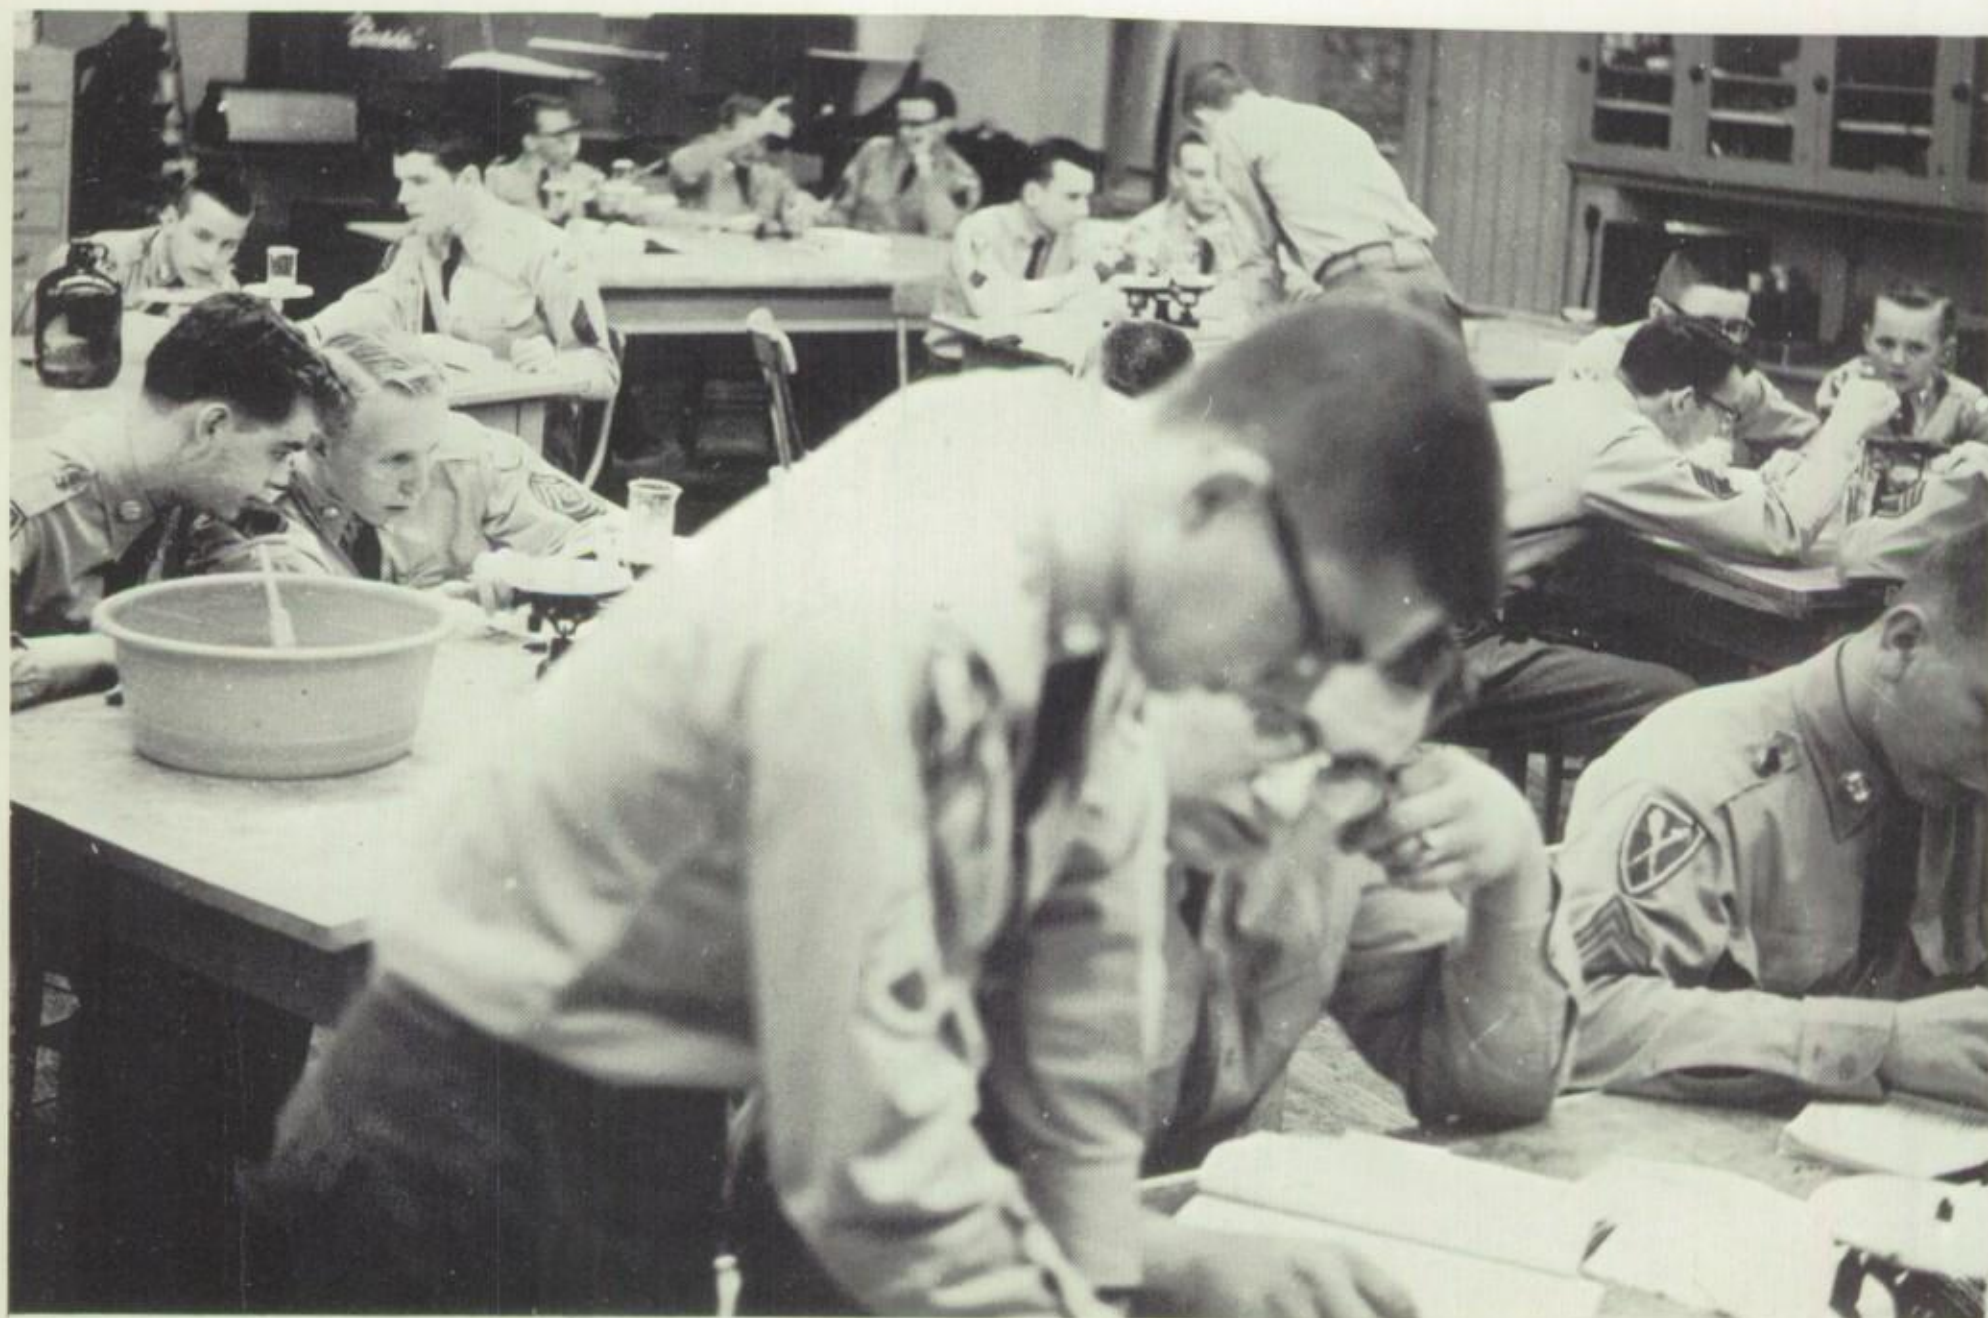

Inagurate New Science Class

BECAUSE OF THE STEADY INCREASE in enrollment, the regular science classes have become overcrowded. To relieve this situation, a new course was added this year: "Physical Science." This is a survey of science course with laboratory work in each division and includes astronomy, physics, chemistry, and earth sciences. The classes are held in the electronics laboratory with Father Ludger as the instructor.

An experiment in the use of the metric system is shown at the left.

A general view of the classroom laboratory is seen below during an experiment to determine specific gravity and density of materials.

A WELL-STOCKED LIBRARY, above, is used both as a source of information and as a study room. All English classes have assigned periods in the library.

DON'T BE CONFUSED by the German grammar on the blackboard: this is Father Alexius' English class, below. Father Richard's German class uses this same room during a previous hour. Latin is also taught at the Academy.

Set Up New Reading Clinic

A READING CLINIC was inaugurated this year by Father Clement. Its purpose is to assist those who are slow readers and others who want to increase their reading speed. Father Clement is shown above conducting a reading session.

THE CHEMISTRY CLASS is shown below conducting experiments in the laboratory.

FATHER BENEDICT'S PHYSICAL GEOGRAPHY CLASS was snapped above, as Father explained some of the mysteries of climate and weather.

STUDENT PROJECTS IN ELECTRICITY make the class practical and more interesting. The class is shown below building "batteries" from small wet cell units.

The Military Department Has Varied Activities

TO MAINTAIN HONOR SCHOOL RATING the Military Department must be on its toes all the time. Pictured here are some of its activities.

At left: Commissioning of officers on Nov. 13. Sgts. Gabel and Whitehead pin captain bars on Captain Robert Cervosky.

Center photo: The battalion, in parade and review, passes the reviewing stand.

Lower photo: A group of Cadets goes through platoon drill with rifles.

The Academy has now won the Honor School rating twelve years in a row. Inspection for this year's rating will be held March 27. Preparations are now under way for this inspection.

Military Activities

Above: Cadet Anthony Scottino has a discussion with Major G. Schnelker, PMS. Upper right: Sgt. O. Whitehead explains a 50 cal. machine gun. Right: Lt. John Allen inspects lockers during the boarders' Saturday morning inspection. Lower right: Cadets practice stacking arms. Below left: Maj. Jude Gerstner, battalion executive, gets orders from Lt. Col. John Weishaar, battalion commander.

Rifle Men Place Third In National Meet

THE CADET RIFLE TEAM, coached by Sgt. Gerald Gabel, won third place honors in the national invitational meet at Booneville, Missouri, in early March. The Cadets missed first place by only six points, and second place by four.

The five who took part in the national meet are shown at the right: left to right: Robert Purdy, Lee O'Neil, Sgt. Gabel, coach; Walter Seng, Wolf Neudorfer, and Tom Koerner.

They each received a medal. No team trophies were given in the match for second and third place.

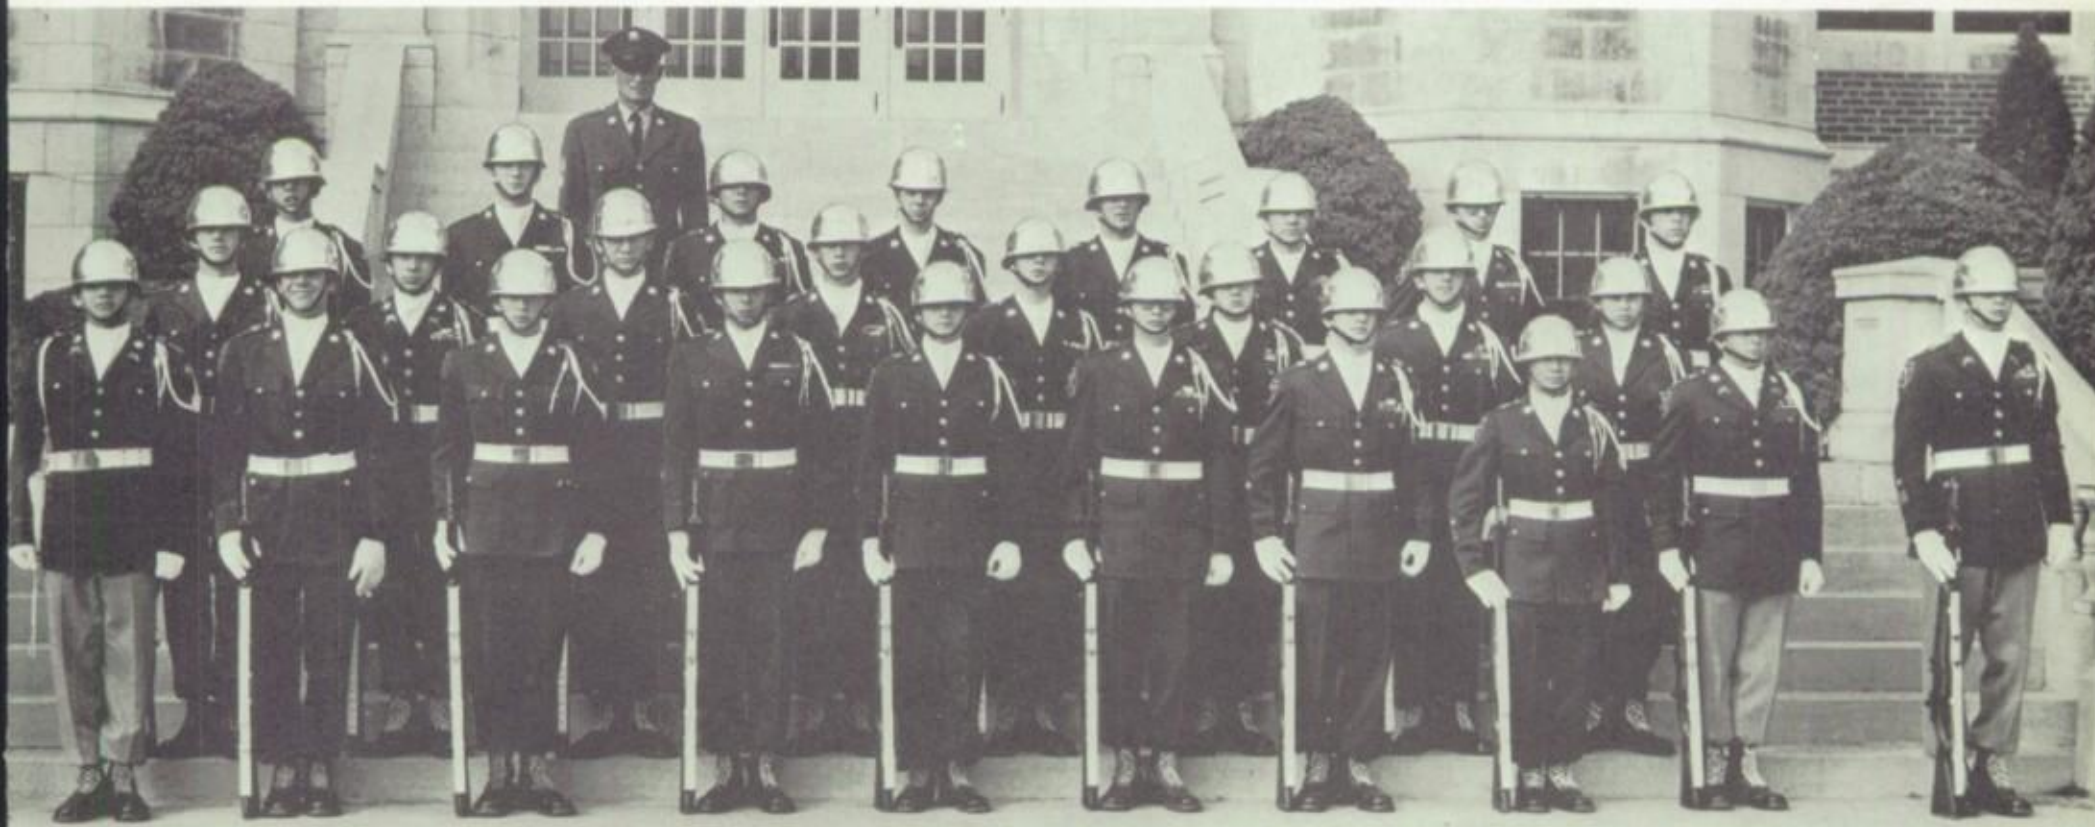

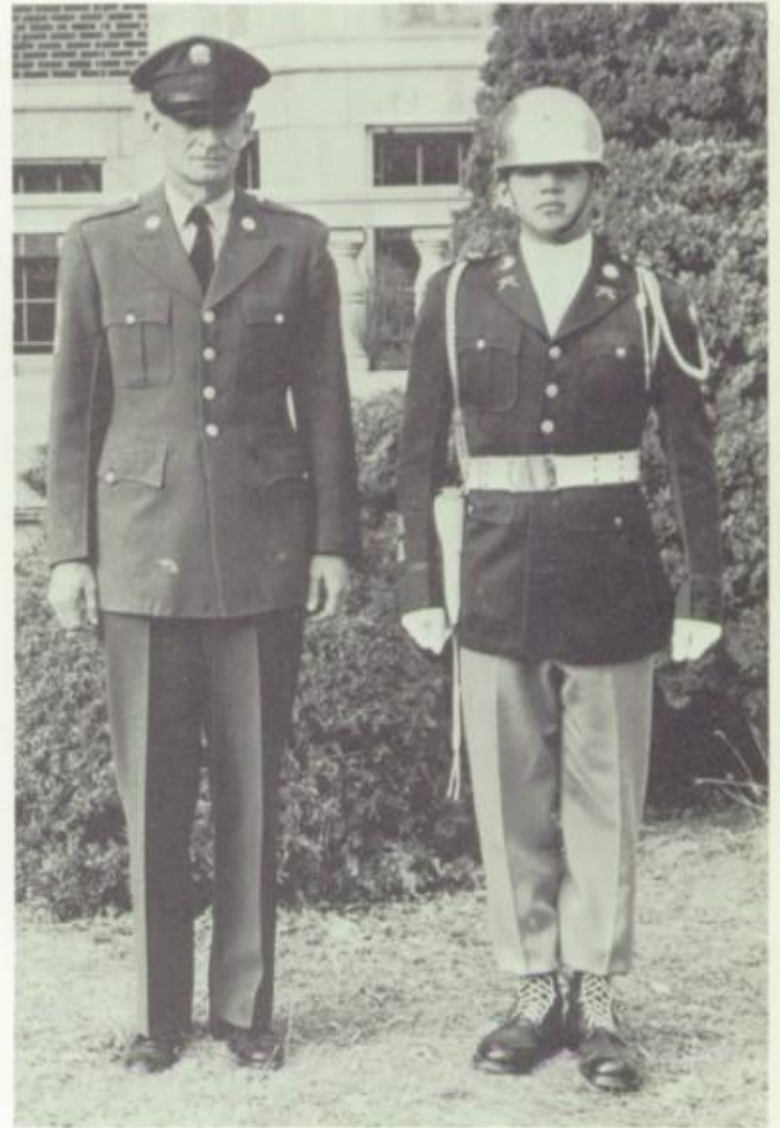

THE TEN TOP SHOTS of the school are pictured above: kneeling, left to right: Walter Seng, Lee O'Neil and James Ruder; standing: Sgt. G. Gabel, coach; Robert Purdy, John Wilcox, Dillard Vincent, Wolf Neudorfer, Tim Turner, Tom Koerner, Anthony Scottino.

Crack Platoon Readies for Exhibits

THE CRACK PLATOON has been taking advantage of every good day to sharpen their marching and intricate drills. The platoon is shown above during a practice session. In the photo at the right, Sgt. Orin Whitehead, coach, and platoon commander, Capt. Prudencio Calderon pose prettily.

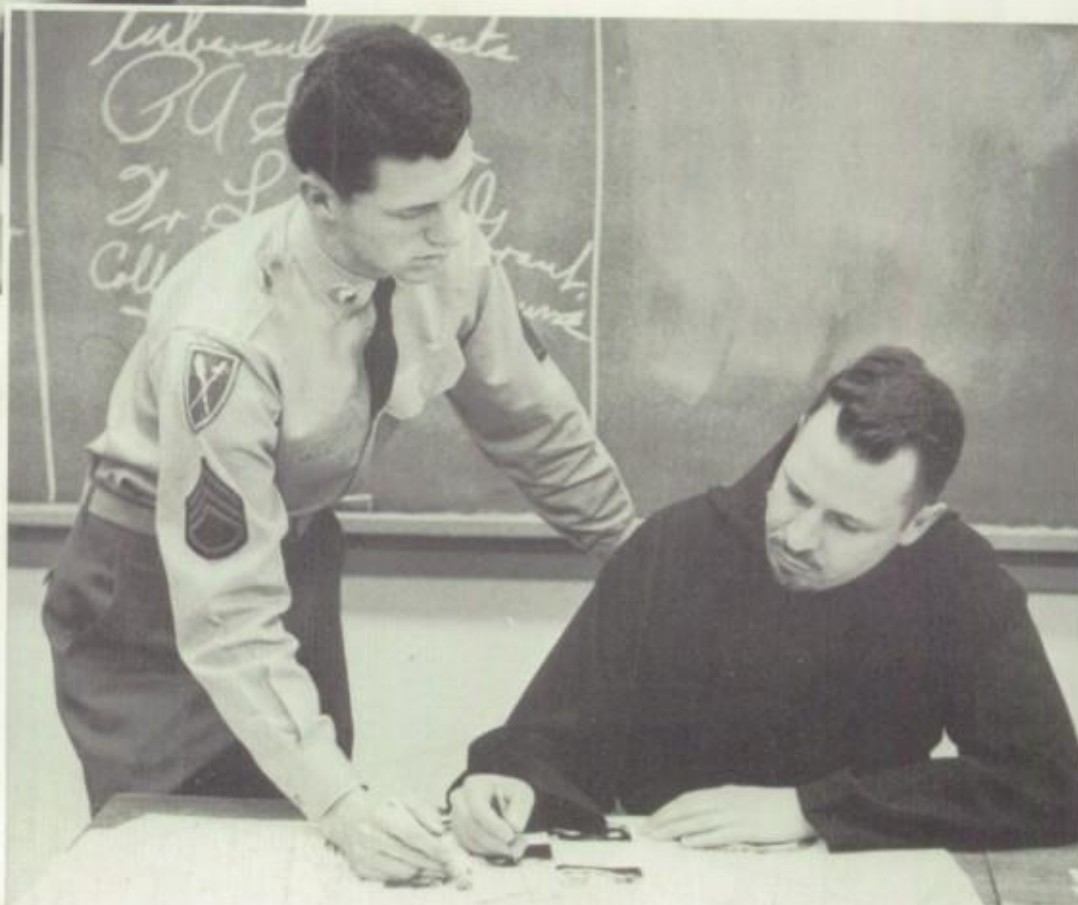

THE CRACK PLATOON POSES for its formal portrait. Left to right, front row: Capt. P. Calderon. David Marold, Robert Winfrey, Gustavo Portella, John Fannon, Dennis Schmidt, Gary Weigel, Bill Rodwell, Jim Mentlick, Philip Beitzinger. Second row: James Bertagnolli, Robert Cervosky, Gary Stremel, Tom Ryan, David Kosowski, Ronald Bice, Terry Ford, Jim Hart. Third row: Pat Hines, Mike Frakes, Gerald Gerstberger, Ronald Regan, Norman Redetzke, Anthony Horinek, Leo Redetzke, Steve Martin. Fourth row: Sgt. Orin Whitehead, platoon coach. Robert Conway and Dan Baca were absent.

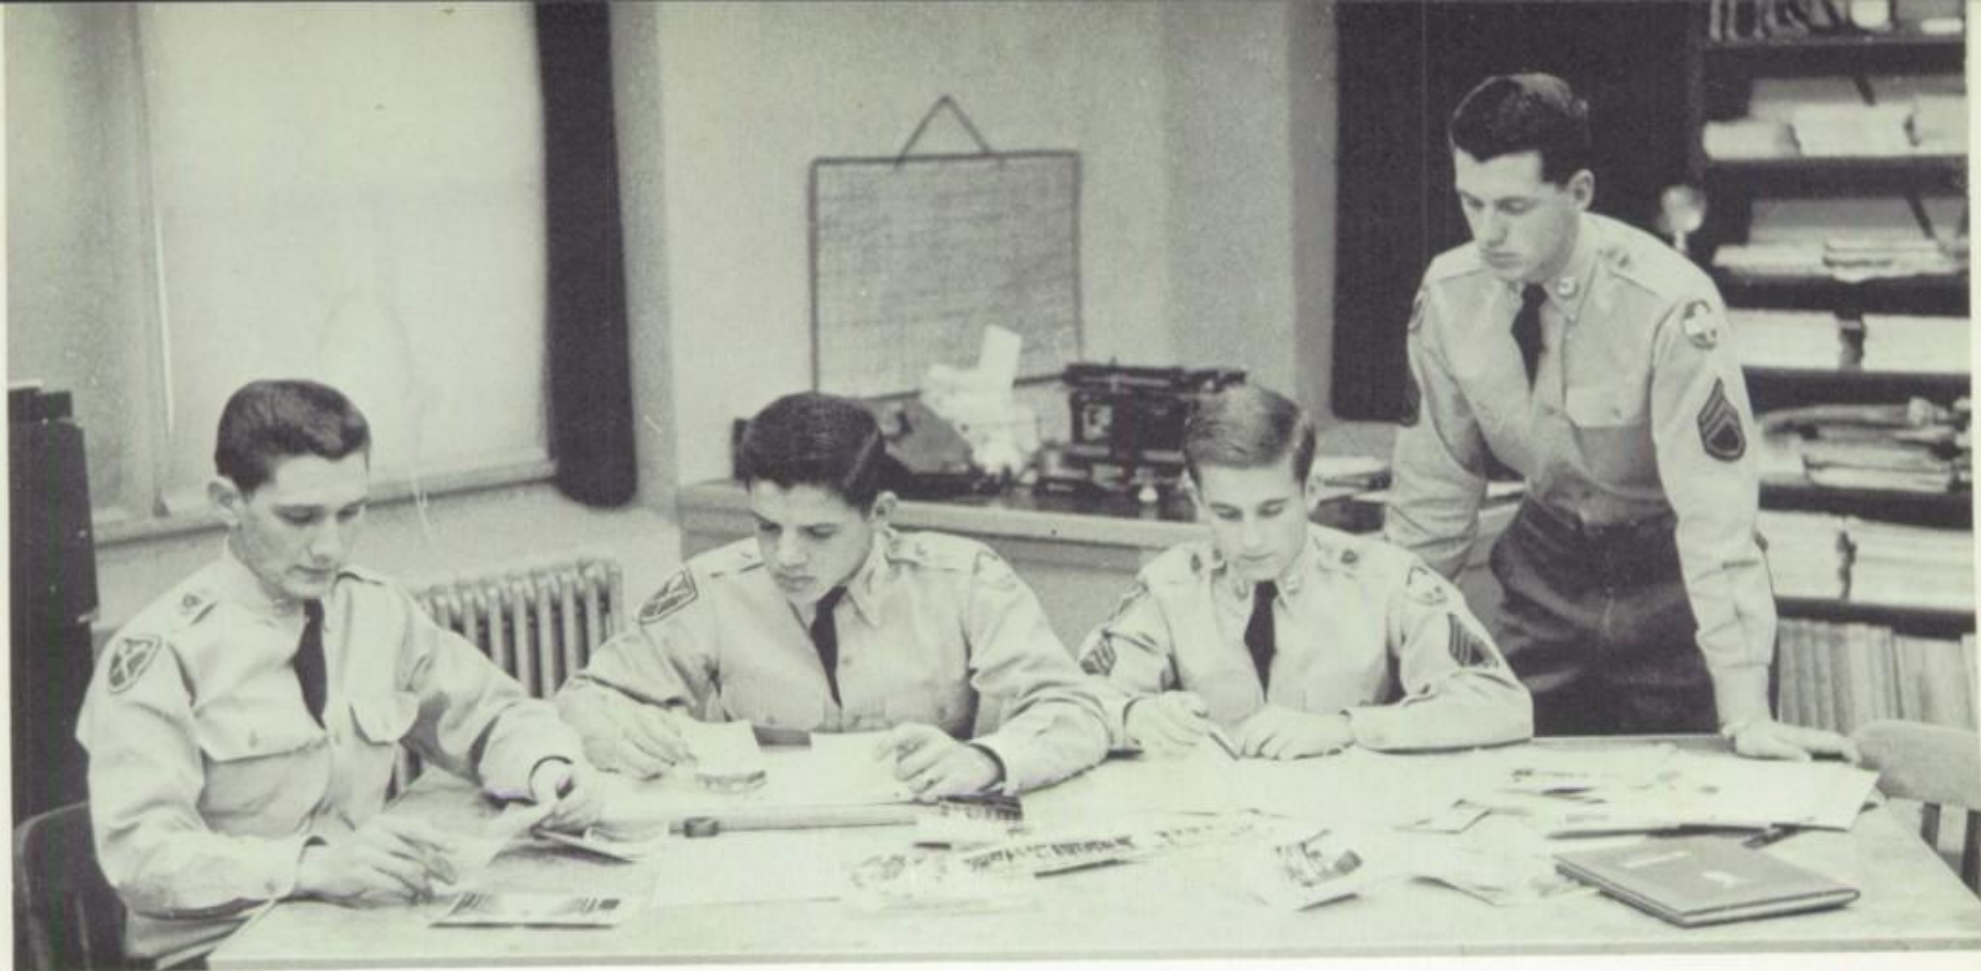

Cadets Find Journalism a Challenge

JOURNALISM STUDENTS FIND that writing is both a challenge and fun. They assist in writing and editing the school paper, **THE CADET JOURNAL**. No formal classes in journalism could be arranged into the school schedule this year, so all work on the paper was done during free time.

THE JUNIOR REPORTERS are shown above preparing the current edition of the Journal for mailing: left to right: G. Neuberger, A. Scotino, K. Herman, J. Brungardt, D. Kosowski, F. Luecke, T. Turner, and T. O'Neil. At right, Jim Bertagnolli, editor-in-chief, confers with Father Canice, faculty advisor. Below, department editors check articles: W. Neudorfer, features; P. Walters, news; Art Riedel, business manager; W. Seng, art; and Tom Koerner, sports.

ANNUAL STAFF WORKS TO MEET ALL DEADLINES

THE YEARBOOK STAFF, working only in free time, had to hustle to meet the various deadlines in December, January, and March.

The senior editors are shown above: Phil Beitzinger, Prudencio Calderon, Charles Bradford, editor-in-chief, James Bertagnolli. Stan Hebner was not present.

Departmental assistants are pictured at the right: John Fannon, Robert Winfrey, Gustavo Portella, and Tim Turner.

Business managers are pictured below: Patrick Walters, Patrick Hines, and Arthur Riedel.

An innovation this year is the white cover with blue print. It had become almost a tradition to have the cover in blue with white print. The staff hopes the new color combination will find favor with the Cadets.

Baseball Added to Varsity Program

PLENTY OF FREE ADVICE is given during the pool tournament, as seen in the photo above.

A SATURDAY MORNING PRACTICE session for lovers of the national sport is shown below.

BASEBALL HAS ALWAYS BEEN POPULAR with the Cadets. Up to now it has been only an intramural sport but this year it was added to the varsity sports program. When Coach Gerald Sadowski put out the call for ball players, some 80 aspirants answered the call. Tryouts are now being held for team positions. A tentative schedule has been arranged with several schools in the area.

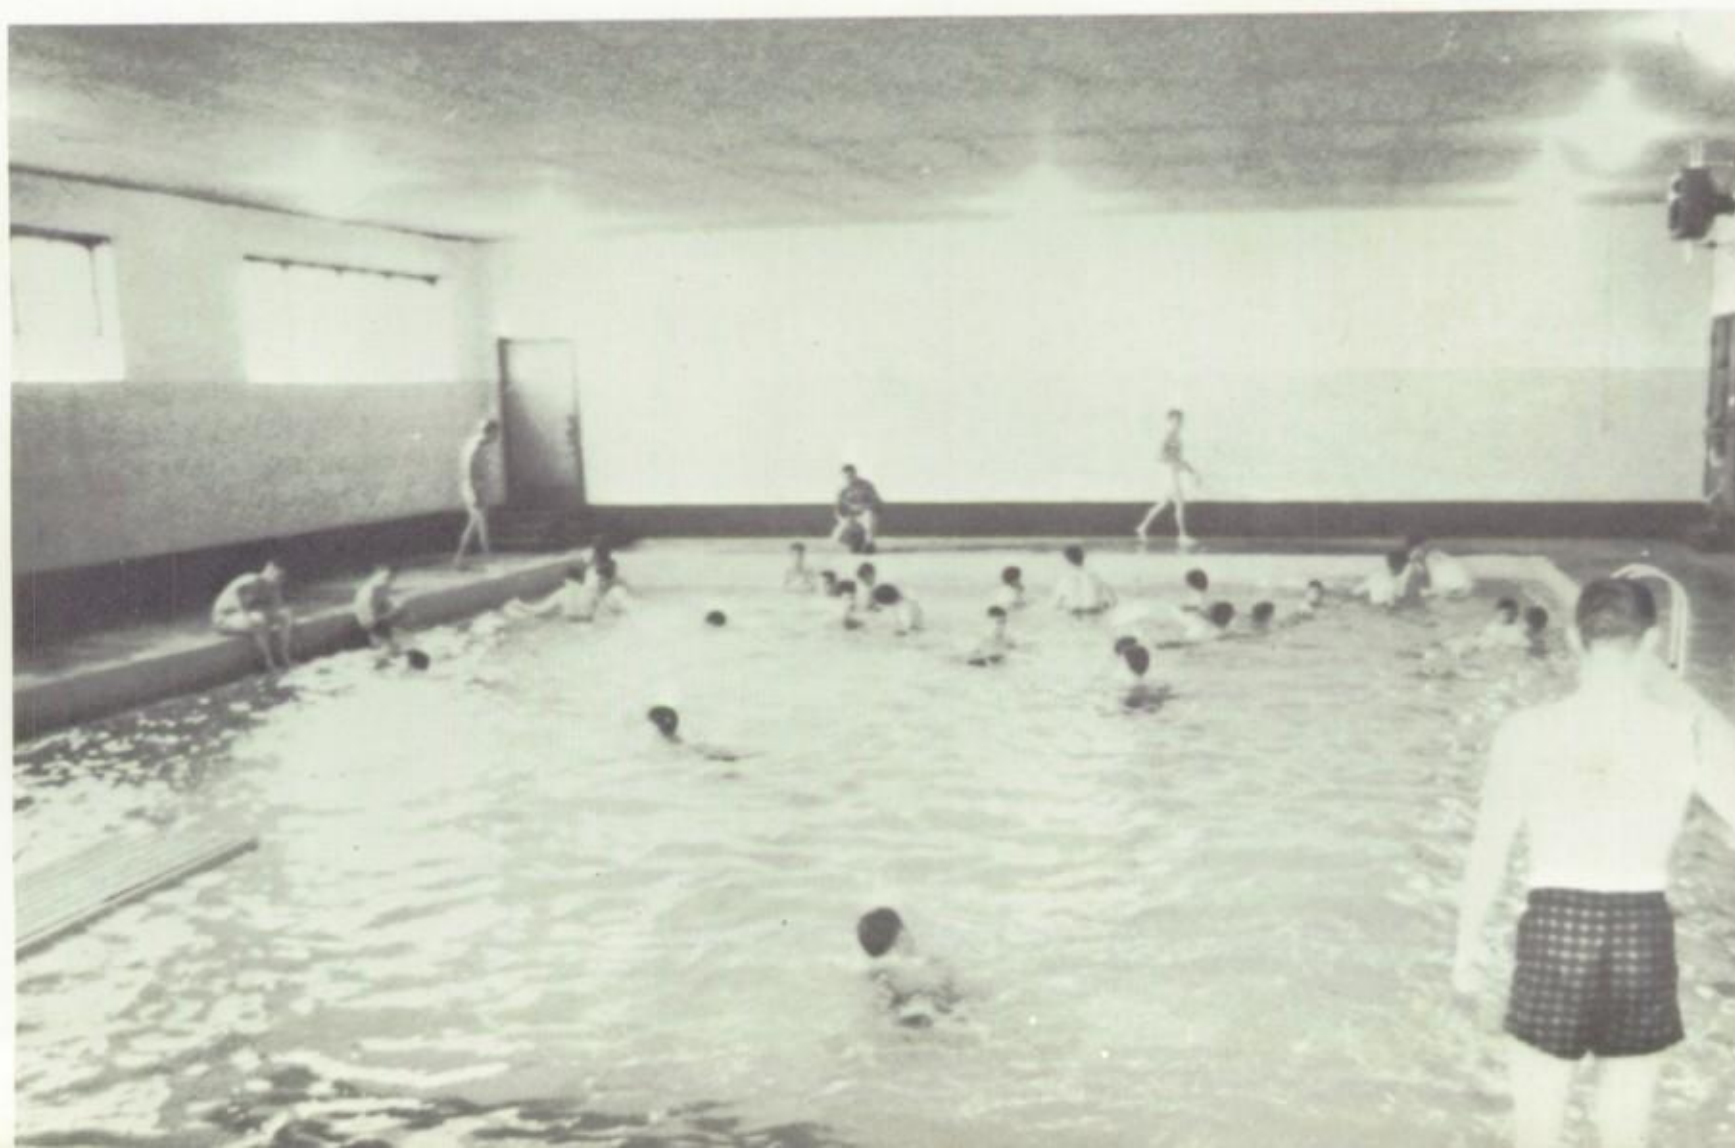

THE INTRAMURAL PROGRAM ran in high gear all year. Football, basketball, tennis, pool, ping-pong, swimming, baseball, all had large followings. In the senior-junior league there were five basketball teams and seven in the sophomore-freshman league. A similar number of teams has been formed for the baseball intramurals. Trophies are awarded to the winners in each of the intramural sports.

A TENSE MOMENT, as Beitzinger's Barbarians square off against Spies' Untouchables.

THE SWIMMING POOL, below, is the focus of much activity every day of the year.

Passion Play Goes to Colby March 19

THE SACRED PASSION OF OUR LORD will be presented this year on Palm Sunday and Monday in the Academy auditorium for the people of Hays and vicinity. The people of Colby, Kansas, will have an opportunity to see the sacred drama on March 19. This will be the only production outside of Hays.

Since the yearbook deadline precedes the first production by two weeks, we were not able to get pictures of the current portrayal. The three photos in these pages are from the 1960 play.

CHRIST IN PRAYER in the Garden of Olives is portrayed at the left.

THE HIGH PRIEST CAIPHAS harangues the mob in the cutting below.

A musical background of appropriate music accompanies the drama throughout, while each scene is introduced by a narrator thus providing a continuity which binds the scenes into a touching, soul-stirring whole.

THE MAJESTIC LAST SUPPER scene from the Passion Play is portrayed above.

FATHER THOMAS, director and producer, fits Ken Herman's costume while other members of the cast select theirs and wait for a fitting.

P T G Has Another Fine Year

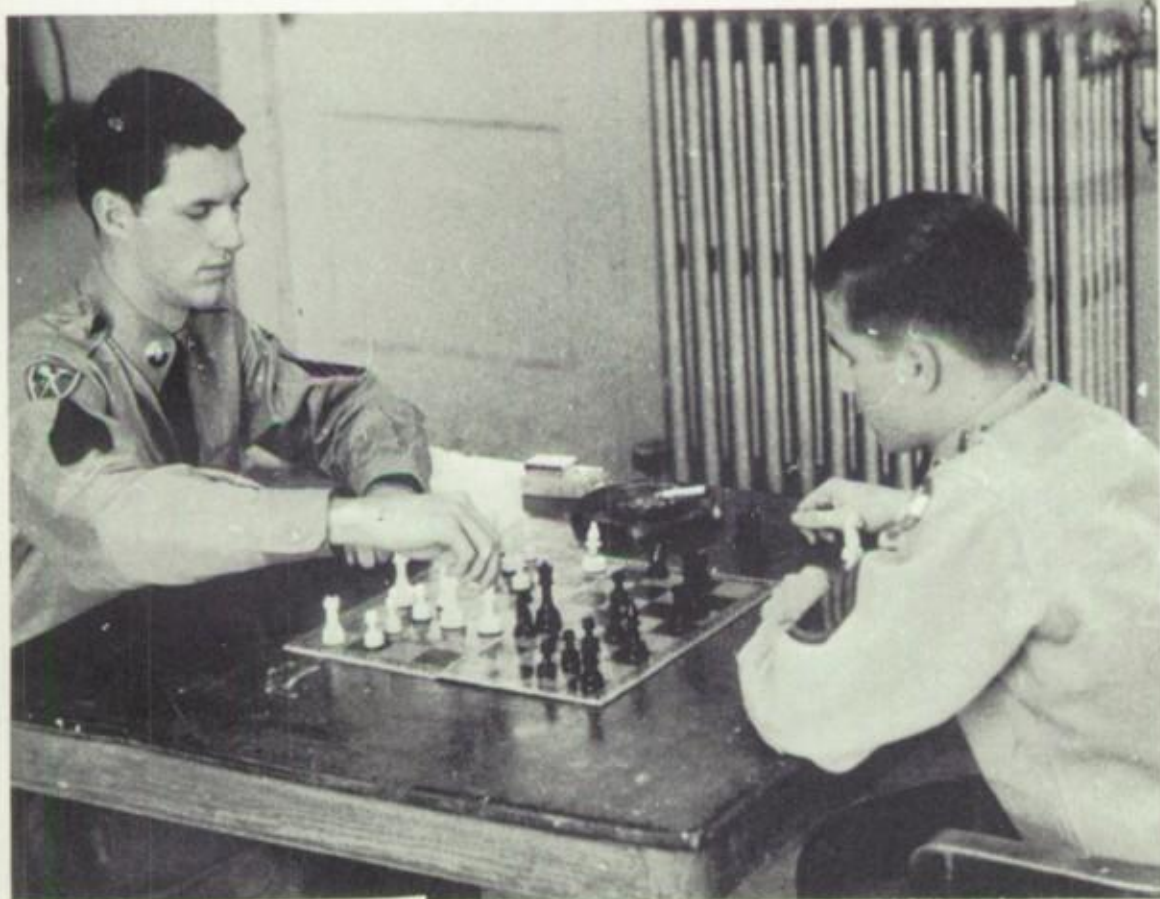

THE PARENT-TEACHERS GUILD again sponsored the activities bazaar on February 12. PTG members, above, Miss Karen Staab, Mrs. Bill Walters and Mrs. Al Staab handle sale of chances on prizes. The bingo stand is shown below.

Something for Everyone

THE CADETS, LIKE ANYONE ELSE, enjoy hobbies. Active on the campus is the Camera Club which supplied many pictures in this book; then there are those who enjoy making models of planes, cars, or ships; others like a quiet game of chess, such as Bertagnolli and Bradford, (center photo); if you are artistically inclined, as Seng and Neudorfer are at the right, you enjoy work in the atelier; or if you are musical, like the St. Joseph Combo performing below, you will perform at the CYS Talent Show. Members of the combo are: Jim Cross on the sax, Dennis Rohr, drums, Joe Spies, behind the trumpet, and Larry Weigel, on the trombone.

The Dire Demise of 'Dangerous Dan'

OR: "What can happen to you if you see too much TV."

THE GROUP OF DESPERADOS you see here are merely re-enacting an episode of the western frontier, commemorating the Kansas Centennial. The yearbook photographer spotted them in these outfits, lured them into the wild Kansas forest, and had them enact a lynching scene in which "Dangerous Dan" Baca got it in the neck.

Actually, the group took first place in the local CYS talent show with their original skit: "The Life and Legend of Slim Snelch." They have been invited to re-enact their "drama" at the CYS diocesan rally in Salina, later in the Spring.

IN THE THREE SCENES depicted here, various roles are assumed by John Fannon, Dan Baca, the ultimate victim, Richard Karlin, the bartender, Bob Winfrey, the sheriff, Phil Beitzinger, Jim Bertagnolli, Robert Conway, the confidence man, Prudencio Calderon, the lovely senorita.

Something New Around the Campus

THE NEW DIESEL BUS came in handy not only to transport the athletes but also to carry Cadets to the Wichita tournament, photo at right. The 32 seat air-conditioned bus was purchased last fall, completely re-conditioned and painted. The boys now really "ride in class."

WE WELCOME A NEW neighbor, below, the Girls' Catholic High School which is being erected on the south east corner of the campus. The single story building is designed to provide modern facilities for 400 students. Completion date has been set for September.

Sweetheart Ball Draws Huge Crowd

THE SWEETHEART BALL, the first of the two annual formal dances, was held on the evening of January 28. The spacious mess hall, transformed for the occasion into a fairyland of hearts and flowers, was filled to capacity. The music was furnished by the Freddy-Joe Orchestra. Faculty members, Cadets and their dates pronounced the affair one of the best ever held on the campus.

The second formal dance will be the Military Ball just before graduation.

The Cadets and their dates sway dreamily to their favorite music.

Charles Bradford and Marla Linenberger, below, admire the theme, "Only You."

THE 1961 FOOTBALL SEASON was one of the least successful in recent years, showing three victories against six losses. But the cadets found consolation in the fact that they retained the Hays city championship by defeating their arch rivals, Hays High, in the annual classic.

CAGERS TAKE FOURTH IN STATE

THE 1961 BASKETBALL SEASON will long be remembered as the most successful in the history of St. Joseph's. Besides winning three trophies, the team established a new record of 20 straight wins, then went on to the consolation round of the state tournament to emerge fourth in Class AA. During the regular season, the Cadets were rated fifth in the state in the weekly AP polls.

Drawing a bye in the first round of the regional tourney at Great Bend, the Billinger men took first place by defeating Dodge City and Hutchinson.

In the state tournament at Wichita, the Cadets, representing the smallest school in the group, took Wichita North, the largest school, in a double over-time thriller, 56 to 54. In the second round the Cadets never really got started against a powerful and tall Parsons team and so sustained their first defeat, 64-41. In the consolation play-off, the soldiers led all the way until the final minute when all our leading scorers had been fouled out, and we had to settle for fourth place 54-52.

The Cadet Corps salutes a fine, fighting team.

MR. ALVIN BILLINGER, head basketball coach, admires the regional trophy, won at Great Bend. Mr. Aaron Feist is the assistant coach.

TAKE SCOTT CITY TOURNEY

THE ST. JOSEPH'S CADETS won the first of their three trophies of the season when they took the Scott City Invitational tourney on January 19, 20, and 21, by defeating Hugoton, Dighton, and Scott City with relative ease.

Pictured at the left with the Scott City trophy are, left to right, kneeling: Mike Haas, Robert Billinger, Gerald Karlin, and Larry Drees. Standing: Greg Roth, Darrell Mudd, Larry Weigel, Jude Gerstner, and Bill Walters.

This was the second time the boys from St. Joseph's have taken first place in three starts. Last year they came in third.

STAAB ON ALL-STATE TEAM

LARRY STAAB, high point man on the Cadet team, was chosen on the mythical All-State Five, at the close of the Wichita tournament.

During the regular season Staab established a new record of 33 points in one game, against Sacred Heart of Salina. He also established a new high total for the year in tallying 362 points in 22 games.

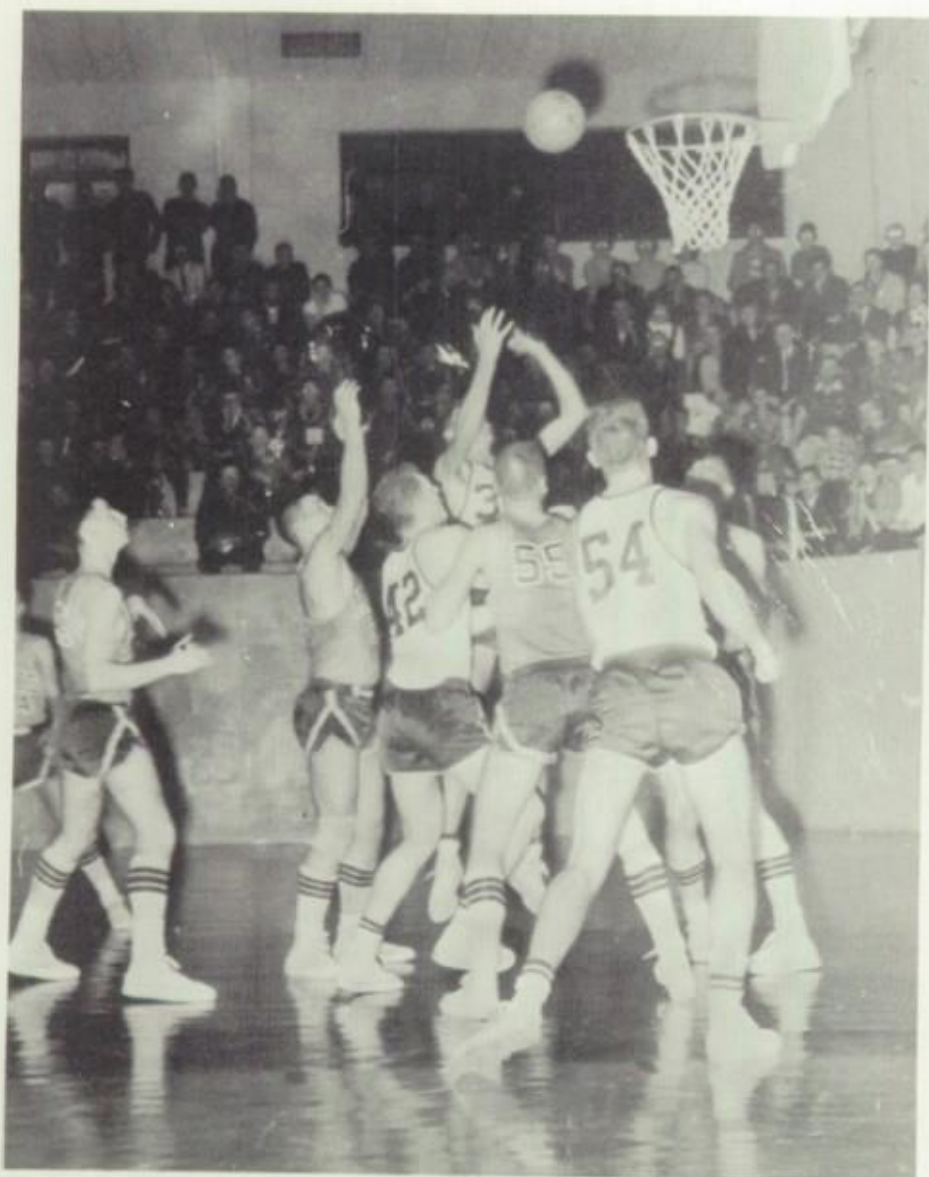

Staab, a 6-foot, 2-inch senior from Hays, has lettered three years in the sport, during which time he has been not only a scoring threat, but also outstanding on defense and a good playmaker. Congratulations, Larry!

Wrestlers End First Season

THE CADET WRESTLING TEAM ended its first varsity season on February 10 and 11 by going to the state regional meet at Oakley, Kansas. The team took part in four regular matches plus the district and regional tournaments. The regular matches were with Kinsley, Russell, Liberal and a return match with Kinsley.

Swift, Dukat, and Eder placed in the district eliminations, but were defeated in the regionals. Other members of the team which is coached by Mr. Sadowski, were: Stan Schmidt, Charles DeDuijstche, Louis Heath, James Woydziak, Anthony Horinek, Joseph Streit, Clifford Pfannenstiel, Michael Hammcke, Ed Marks, Ralph Slansky, George Bartko. Although they did not win a match, Coach Sadowski feels they gained very valuable experience.
